**Metallon Corporation lunch with Hon. Winston Chitando,
Minister of Mines and Mining Development, Zimbabwe**

Metallon Corporation, the biggest gold mining company in Zimbabwe, and Gold and General Limited, Mzi Khumalo's investment holding company, hosted a private lunch between Hon. Winston Chitando, the Minister of Mines and Mining Development in Zimbabwe, certain leading investment banks and the London Stock Exchange in London on Friday 16th March 2018.

The Minister of Mines was joined by the Vice-Governor of the Reserve Bank of Zimbabwe, the Acting Ambassador for Zimbabwe in the United Kingdom and representatives from the Office of the President, and the Zimbabwe Investment Authority.

The discussions were focused on the reforms required on Zimbabwe's current residual exchange control policies to promote foreign direct investments, and the bankability requirements of international financial institutions for lending to gold mining companies in Zimbabwe, including an ability for international offtake and offshore debt service account.

The Zimbabwe delegation were in London for the Zimdaba Conference 2018.
